

# Blake Johnston

**Blake Johnston** is the Sales Manager for Wastewater Products at Orenco Systems® Inc., a wastewater equipment manufacturing firm based in Sutherlin, Oregon. He joined Orenco in 2012 as an Area Sales Manager, moving to the position of East Region Sales Manager in 2015.

Prior to joining Orenco, Blake started his career in the onsite industry with a manufacturer's representative and has more than twenty years of sales and leadership experience in residential and commercial decentralized wastewater markets.

Blake holds a bachelor's degree in business administration and finance from the University of Washington. In his spare time, he enjoys fishing, skiing, and spending time with his family.
